COOKIE POLICY

Met Tech Global Ltd. strives to build strong, long-lasting relationships with all our stakeholders, including and most importantly with our clients. In keeping with this, we view your comments, suggestions and concerns as matters of premiere importance.

COOKIE POLICY

INTRODUCTION

Cookies are small text files placed on your computer that are created by the websites you visit or by certain emails you open. Cookies are used to improve your user experience, enable functionality on the website, facilitate site security and provide the business with marketing information about the site's visitors. Cookie text files comprise both numbers and letters and are saved into special areas in the memory of your computer or mobile device. Cookies stored here are called session cookies while cookies placed into the hard drive are called persistent cookies.

Met Tech Global Ltd. cookie disclosure provides the user with information related to the cookies set when you visit a Met Tech Global Ltd website and how to reject or delete those cookies. Users should be familiar with the Met Tech Global Ltd. Privacy Policy.

HOW MET TECH GLOBAL LTD USES COOKIES

Met Tech Global Ltd. websites (www.metfx.com) use cookies to provide the functionality you need to browse our site correctly. Met Tech Global Ltd. websites issue cookies upon visiting our websites unless the user has changed cookie settings in their browser to refuse cookies. Please note that with cookies switched off, many areas of our website and services will not be made available to you; such as Met Tech Global Ltd. Direct, where login functionality will be unavailable. Also, by disabling cookies, the functionality of social bookmarking will not be functional. Met Tech Global Ltd. does not use cookies to collect personal identifiable information about you. The cookies that we use collect solely anonymous information that is used to optimize our services.

MET TECH GLOBAL LTD WEBSITE COOKIE TYPES

1. Session cookies save website 'session' credentials for visitors both logged in and not logged in. Once the browser is closed, the cookie is deactivated – and the session closed.
2. Analytical cookies collect visitor information, such as the number of visits and how our website was found (e.g. via a marketing campaign). This information is extremely important to us as it helps us improve our website and further enhance visitor experience.
3. Functional cookies are solely concerned with visitor experience on the website. For instance, they recognize the open/closed status of pop-up messages, they memorize the time zone or view state of the Economic Calendar and they enable access to information stored when registered with Met Tech Global Ltd. Without these functional cookies no settings information can be saved.

THIRD-PARTY COOKIES

Currently, we do not use any third-party cookies on our website.

YOUR CHOICES

If you wish to block cookies, you may do so through your browser's settings. You can delete cookies that are already on your computer and you can set your browser to prevent them from being placed going forward. Please refer to the browser's help menu for further information. However, please bear in mind that disabling cookies may adversely affect your user experience on the Service.
